MRS. CORA EVERHART

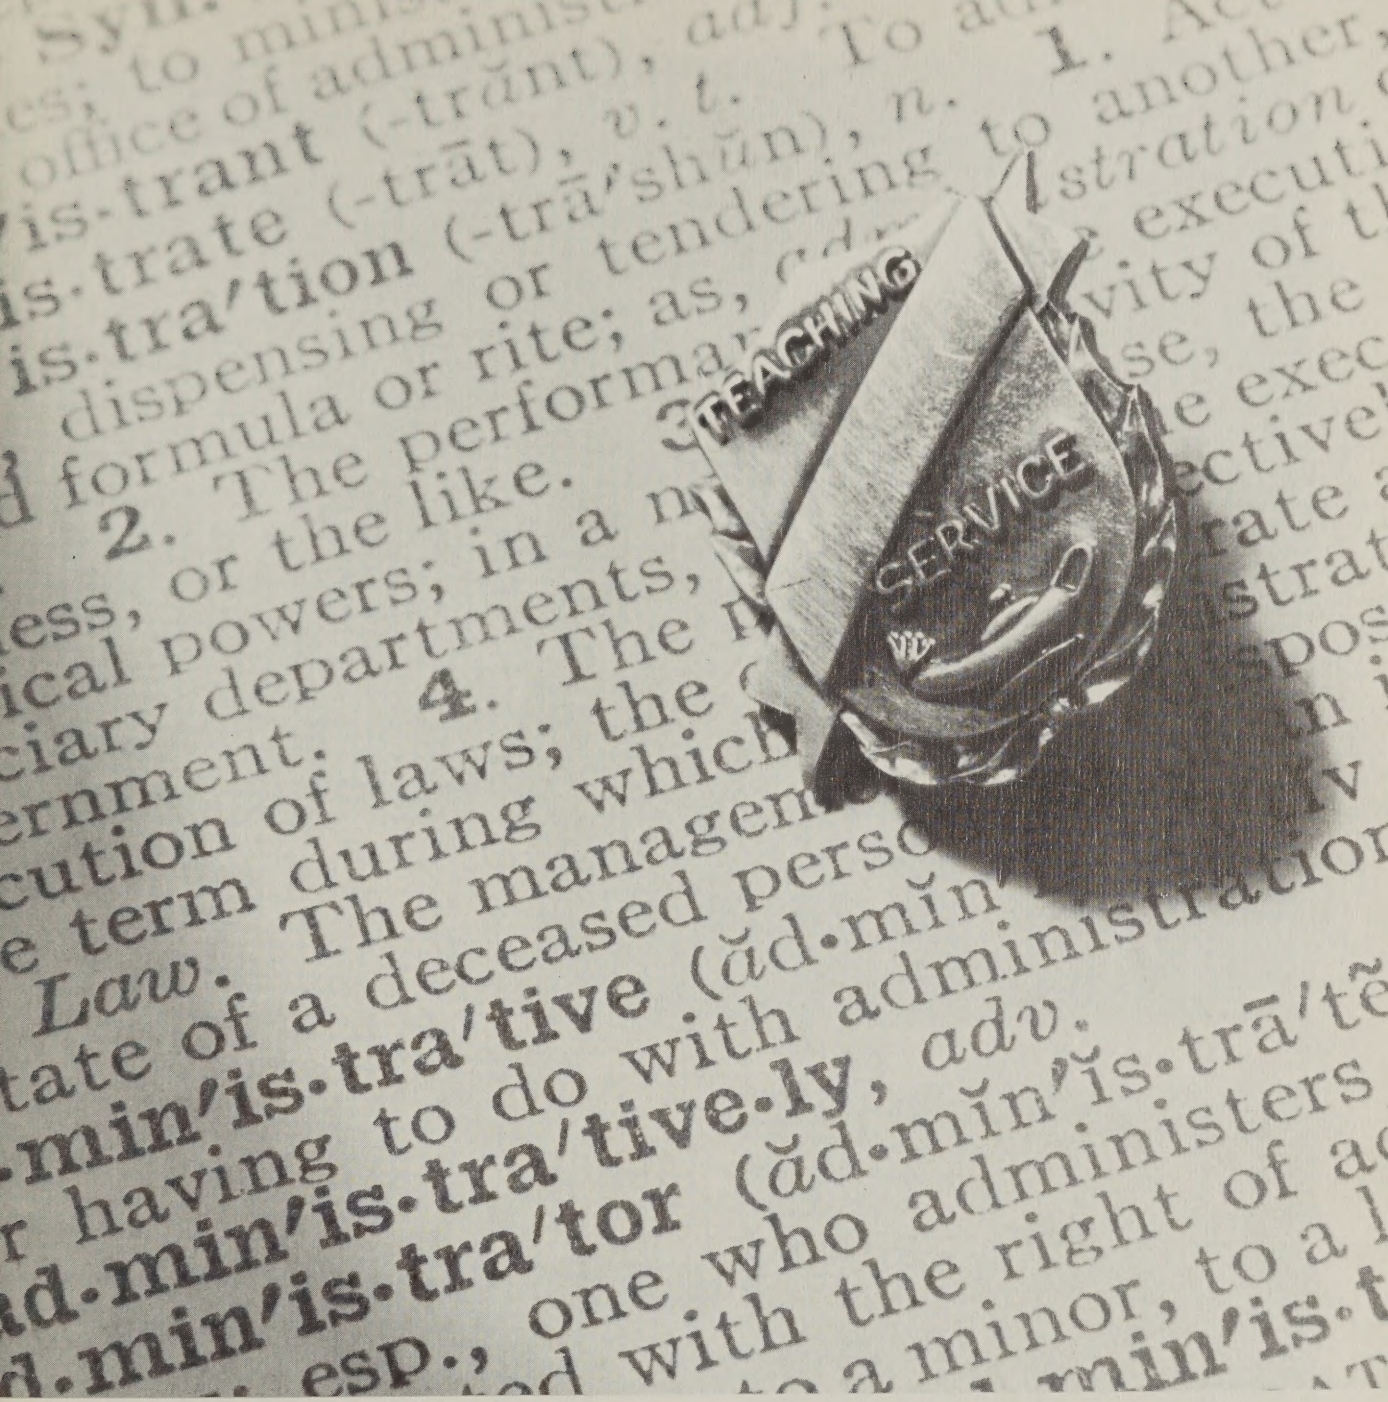

# *Dedication*

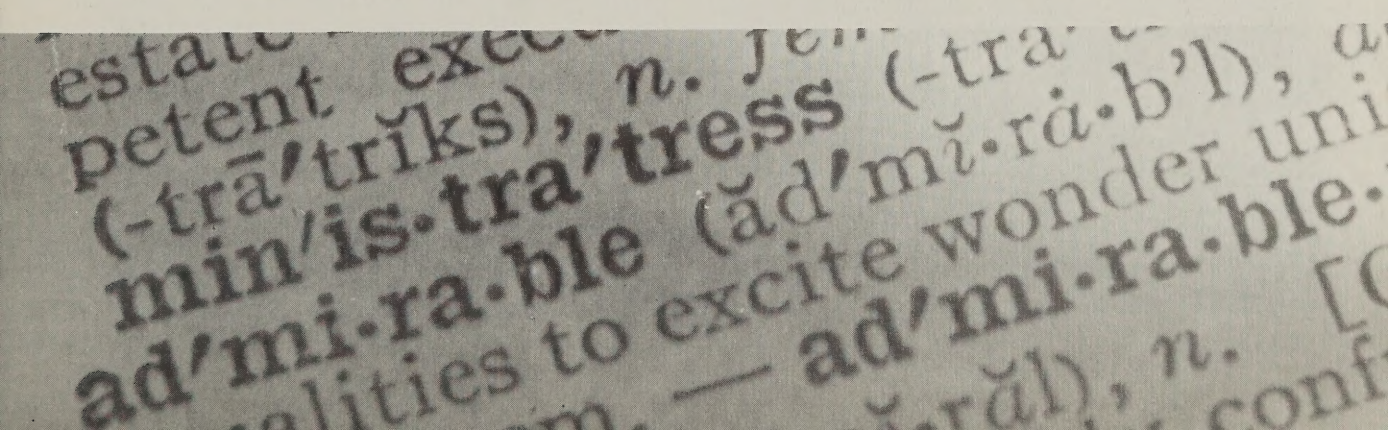

The editors and the staff of the 1965 ISLANDER feel that there is no person in school who helps more students each day than our office secretary. Throughout her career at P. H. S., she has brightened the day of many and her personal integrity has been exemplified in a job well done.

Thus, with pleasure, the ISLANDER is dedicated to MRS. CORA EVERHART.

## *Our Superintendent*

Mr. Pope and his assistants govern the affairs of the entire York County Public School System. Mr. Pope's influence on Poquoson High School reaches us through his cooperation with Mr. Hill, our principal, and the executive officers of the P. T. A.

## *Our Principal's Message*

The appearance of a yearbook is a momentous event. It is an indication of the vitality of the youth, the community and the school. May those who labored on it be rewarded by a continuation of the same vision and faith in their activities after leaving high school.

Each time we open this yearbook, these moments, which we shall forever treasure, will be relived.

May I extend to each member of the ISLANDER my personal congratulations for this fine production.

# SENIORS

## *Senior History*

When we entered Poquoson High School as lowly eighth graders, we were confronted with an entirely different world. Bewildered by this great change we became acquainted with our schedules. Our very first class elections put Bill Shields into office as President, Joy Rasnick as Vice President, Krista McBride as Secretary, and Bobby Watkins as Treasurer.

Before we know what had happened, we had advanced from "Rats" to Freshmen. That year our class officers were: President, Tommy Quinn; Vice President, Bill Shields; Secretary, Sandra Firth; and Treasurer, Jeannie White.

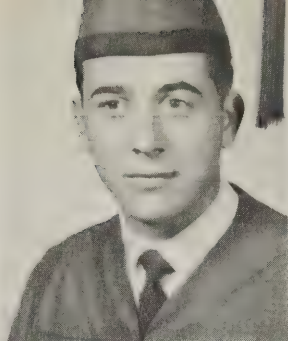

As Sophomores, we were eligible to participate in more school activities. However, we also had to spend more time on our studies. That year, Bill Shields was again elected to lead us as President. Helping him were Ginger Graef as Vice President, Nancy Forrest as Secretary, and Sandra Firth as Treasurer.

Entering P. H. S. in September 1963, we could say with pride that we were now Juniors! Our two main activities as Juniors included ordering our class rings, and planning our prom. No one will ever be able to forget all the work that went into our prom "Evening Ecstasy," but its great success made it all worthwhile. We elected as our class officers: Tommy Quinn, President; Bill Shields, Vice President; Jeannie White, Secretary; and Joy Rasnick, Treasurer.

When we entered P. H. S. as Seniors there were the mixed emotions of excitement and sorrow. We began our activities of our last year by electing our class officers: Bill Shields, President; Mark Forrest, Vice President; Deloras Weaver, Secretary; Tommy Quinn, Treasurer. We had many things to keep us busy: Ordering calling cards and invitations, caps and gowns, and class pins. We sponsored P. H. S. 's first TWIRP DAY. Our Senior class play, "Cheaper By the Dozen" was a great success, thanks to Mr. Deufel. SAT tests caused much frustration, and being accepted by "the" college was a constant worry, but everything worked out for the best. It seems hard to believe that our Graduation is here already. Nevertheless, as our high school career comes to an end, we hope that for all it won't be an end, but a beginning.

### *1964 Homecoming Court*

SEATED: Senior representatives, Susie Cross, Krista McBride, Dee Weaver. STANDING: 8th grade, Joanie Firth; 9th, Debra Hunt; 10th, Darlene Graham; and 11th, Linda Freeman.

### *The Queen*

Krista McBride was crowned Homecoming Queen, October 26, by Patti Haight, last year's Queen. Homecoming festivities began earlier that day with a parade through the main part of town. The parade consisted of the Homecoming Court, four floats, the cheerleaders, the fire truck, and the band.

That night the Islanders defeated the Chuckatuck Indians, 17-0. Adding to the excitement of the game, quarterback Bobby Watkins kicked a 37 yard field goal.

Krista McBride glows with excitement as she is crowned 1964 Homecoming Queen by Principal Roy B. Hill.

Excitement turns to tears of joy as Krista reigns over the large Homecoming crowd.

## *Floats*

The Seniors worked hard on their float "Scalp the Indians."

## Senior

Dad calls for a fingernail inspection.

"Cheaper By The Dozen" was the three-act comedy presented by the Senior class this year. Under the direction of Mr. Robert E. Deufel, the setting took place in Montclair, New Jersey during the 1920's. The Gilbreth's thought raising twelve children would be an easy task, but they soon discovered many problems. One problem the children encountered was having a father who was a time saving expert. Amid all the excitement of a large family, the play proved very enjoyable.

## Play

Instead of taking Dad's advice for all work, the family and friends stop a minute for a friendly chat.

Mother takes time to admire seven of her lovely children.

Dad, with the help of Doc, keeps a watchful eye as Ernestine and Frank study their next move.

All the family watches as Joe Scales gives a Hooray and a Tiger for Montclair High School.

At the start of each year your ISLANDER staff begins to plan your Annual. Making layouts, taking pictures and writing copy for all your school events, the ISLANDER staff has worked hard to produce an Annual that will satisfy each individual.

It is our hope that this book will be well received by you and that it will serve to recall many pleasant happenings. It has been a big job, but a pleasant one for us. We have really tried hard to make this a good book. We hope you like it.
